10. Ingresar el serial proporcionado por AutoCAD

The image shows a screenshot of a software activation dialog box titled "Autodesk Licensing - Activation Options". The dialog features the Autodesk logo at the top left. The main heading is "Enter Serial Number and Product Key". Below this, there is a paragraph of instructions: "To activate Autodesk AutoCAD 2025, please enter the Serial Number and Product Key you received at the time of purchase in the fields below. This information can be found on the product package, in your 'Autodesk Upgrade and Licensing Information' email, or a similar confirmation email from the point of purchase e.g. online store." There are two input fields: "Serial Number:" and "Product Key:", both of which are currently obscured by a greyed-out, blurred effect. At the bottom of the dialog, there are three buttons: "Back", "Close", and "Next". The dialog has a standard Windows-style border with a close button (X) in the top right corner and scroll bars on the right and bottom.
